>Design P1234 1/4" hole, perforated tile 12" x 12" x 3/4"

>Design PTF Trim female 12" x 2 1/2" x 3/4"

>Design PTM Trim male 12" x 2 1/2" x 3/4"

>Design PTC Trim corner

«Tile & trim available from stock in Black, Blue, Burgundy, Green, Terracotta, Yellow & Grey.

Resistant to shocks and most caustic products, our tiles are ideal for making boundaries for dangerous work zones.

CWF Mat perforated tiles are ideal for creating a workspace that's clean, safe and functional.

With a 1/4" hole, they're very easy to clean, as the perforations catch dust, dirt and other particles that are quickly removed with a vacuum.

Tiles are practical for laundry rooms.

Tile & trim available from stock in Black, Grey, Sand, Brown, Green & Burgundy.

*Minimum quantities required in each of these colors

CWF Mat anti-fatigue tiles make an ideal covering for damp and cold basement floors; are easily assembled, interlocking one to the other; and form a strong but cushioned floor surface with multiple applications.

The ridges underneath allow for easy passage of electrical wires and telephone lines.

CWF Mat cushioned tiles offer unparalleled air cushioned comfort. This anti-fatigue comfort tile greatly reduces stress where work is conducted while standing, or where noisy machines that cause strong vibrations are used.

Resistant to mold and mildew, interlocking one to the other; and form a strong but cushioned floor surface with multiple applications
