CATALINA
OLEFIN

CATALINA mats work in all kinds of weather, protecting floors from damaging dirt, moisture and wear. The long-wearing 100% continuous filament olefin pile takes the punishment of heavy traffic without fuzzing or pilling. Solution dyed fibers are long wearing and will not fade or discolor in sunlight. Traps 1.2 gallons of water per square yard - dries 4 times as fast as conventional nylon mats. Cleans easily by vacuum or hose.
