

## SCRAPER MATS

### RIDGE-SCRAPER HEAVY DUTY RUBBER SAFETY SCRAPER

Raised rib surface provides positive traction in areas where extra safety is desired and effectively scrapes dirt and debris from shoes.

- Slip resistant surface promotes safety.
- Reduces slips and falls.
- Durable 3/8" thick molded rubber.
- Cleated backing helps prevent movement.
- Raised edging creates a "dam effect" to contain spills - ideal for use around fountains, bars, and other areas where spills and liquids could present a hazard.
- Resilient for worker comfort.
- Easy to clean, just shake or hose off

**COLOR:** Black
