

ANTI-FATIGUE

CUSHION COMFORT HAIR SALON MATTING

For style, comfort and utility, **CUSHION COMFORT** Beauty and Barber Salon matting offers excellent quality and selection to enhance aesthetics as well as create a comfortable work environment.

A durable 1/8" attractive marbled rubber surface material is laminated to a 3/8" thick sponge backing creating an extremely durable anti-fatigue mat.

- Abrasion resistant marbled surface enhances the appearance of any decor.
- Permanently bonded sponge backing creates a soft anti-fatigue surface for worker comfort.
- All edges are beveled for extra safety
