

KITCHEN / INDUSTRIAL

NI-RIB

VERSATILE SAFETY RUNNER

Specially formulated rubber compound makes **NI-RIB** very versatile in a variety of foodservice and industrial applications where safety is important.

- Nitrile rubber compound is resistant to grease and oils.
- "V" rib design provides excellent slip resistance.
- Reduces trackage - debris is cleaned from shoes by squeegee action.
- Reversible - use rib side or knob side up for extended service life.
- Solid or Perforated styles.
- Lightweight, easy to handle.

PERFORATED NI-RIB

Ideal for areas requiring drainage of liquids. Use in laboratories, showers, locker rooms, etc. Knob side up provides greatest comfort under bare feet.

SOLID NI-RIB

Recommended for Kitchens or Industrial applications where mats must be washed or handled frequently.
