

## KITCHEN / INDUSTRIAL

**COLORS:** Black, Brown, Brick Red

### REVERS-a-MAT REVERSIBLE SAFETY RUNNER

**REVERS-a-MAT** improves worker efficiency by relieving fatigue. It prevents slipping accidents and its natural resiliency reduces breakage of dropped objects.

- Durable 3/8" thick rubber.
- Lightweight, for easy handling.
- Provides good drainage in wet areas.
- Anti-Fatigue improves worker productivity.
- Anti-Slip knob surface provides extra traction.
- Reversible for prolonged product life.
- General Purpose and Grease Resistant Styles.

### APPLICATIONS

Restaurant Pick-Up Stations  
Bars  
Assembly Lines  
Behind Counters  
Industrial Areas  
Dishwash Areas
